# WELCOME TO VALENCIA COSMETICS

Valencia Cosmetics is a Manufacture & Supplier of high quality Cosmetics, Home care, Cleaning and Healthcare products. We are professionally managed company having a team of qualified and experienced eminent persons which make use of innovative techniques in production and distribution. The company has an efficient, well-documented and controlled marketing systems for its products. It also have open lines of communications with its customers at all levels. We supply many kinds of Cosmetics, Home Care, Cleaning, Healthcare and General Disposable products

Using our research driven marketing analysis and planning approach, we can assure you the right choice of products and services through our extensive knowledge in cosmetics, Home care, Cleaning and healthcare operations, we make sure our services meet the customer satisfactions at all levels. We welcome the opportunity to work with you to grow your business with our products. We are dedicated to formulate high quality Cosmetics, Home care, Cleaning and Healthcare products with unsurpassed customer service. If you have any questions or concerns regarding any of our products services or have any questions, your answers are one phone call away

Employees across the group constantly challenges conventional thinking to create solutions that make significant difference in the lives of our customers. Thats why everything we build is designed to empower you to reach your potential

Internally we follow three basis tenants- **Accepting no Limits Thinking Alternatively and Driving positive changes** in everything we do. These brand pillars guide all our action and business decisions from deciding whether or nor to enter a new field or planning a portfolio of services. We hope you will take what we do and make it your own

**Valencia aims to make life easier and treats every order as a priority order, so once an order is placed with us, you will have it in your hands within one working day anywhere in UAE**

## **MISISON**

To offer ever better products in terms of aesthetic, superior quality, highly reliable and most consistent healthcare, Cleaning, Home care and cosmetics products with simple operations at competitive prices

## **VISION**

**Beauty Beyond Imagination** is our Vision. By this we mean to provide high quality products and services at affordable prices to all our clients. So that they can achieve Beauty Beyond their Imagination

**SPECIAL  
OFFER**
